Like Billy Goat Gruff, the three fish were hungry and a little scared. They were playing tiddly winks when a troll.

"Hey Jimmy. What do you think it is?" said Billy.

"I don't know" Billy," said Jimmy.

"Don't go get it, Billy" said Jimmy.

"It's only a worm", said Billy.

"Billy Billy you haven't enough to catch you. Just do what I do. Hook the hook on that old worm" said Jimmy.

But Billy didn't listen and got caught.
