

ANNUAL REPORT TO MEMBERS & DONORS

For the Year Ended December 31, 2017

FINANCIAL OVERVIEW

Wildlife Forever ended 2017 with operating revenues of \$1,622,431. Wildlife Forever spent a total of \$1,517,106 on conservation efforts. This represents 94.5% of all expenses. Wildlife Forever provided funding for projects covering 48 states.

Expenses for administration and fundraising were \$87,456.

Wildlife Forever has its financial statements audited every year. The 2017 audit was completed on March 2, 2018, by the accounting firm of Lewis, Kisch & Associates, LTD. The opinions of the auditing firm are that Wildlife Forever's financial statements "present fairly, in all material respects, the financial position of Wildlife Forever as of December 31, 2017".

Our emphasis, as always, is on the responsible stewardship of the funds our members and donors have entrusted us with. I am thrilled by the significant increase in our efficiency and that 95 percent of every dollar spent goes to conservation.

Respectfully submitted,

Pat Conzemius
Executive Vice President
