FINANCIAL OVERVIEW

Wildlife Forever ended 2018 with operating revenues of $1,370,348. Expenses totaled $1,295,531, of which $1,221,739 were spent on conservation efforts. This represents 94.3% of all expenses.

Wildlife Forever has its financial statements audited annually. The 2018 audit was conducted in February 2019 by the accounting firm of Lewis, Kisch & Associates, LTD. The opinions of the independent firm are that Wildlife Forever’s financial statements “present fairly, in all material respects, the financial position of Wildlife Forever as of December 31, 2018.”
“Our emphasis, as always, is on the responsible stewardship of the funds our members and donors have entrusted us with. I am thrilled with our efficiency and that 94 percent of every dollar spent goes to conservation.”
