

Legacy League

WHAT IS THE LEGACY LEAGUE?

Over the years, many of our members have provided a legacy of hope in their wills or estate plans for the continuation of fish and wildlife conservation into the future.

Unfortunately, we often don't learn of our donor's bequest by will until he or she has passed on. We'd like to thank and recognize you NOW for such lasting generosity and long-term commitment.

The Wildlife Forever Legacy League is our way of doing that. We also use it to say thank you for gifts through Trusts, Charitable Gift Annuities, etc.

As a member you will lead the way for others, as you have all along, in keeping the future bright for all of America's fish and wildlife heritage.

WHAT WILL I RECEIVE AS A MEMBER?

We want to thank you for your leadership role in the Wildlife Forever Legacy League with:

- ◇ Special recognition on our website
- ◇ Helpful information on charitable gift planning
- ◇ A certificate of appreciation
- ◇ A limited-run Legacy League lapel pin

Legacy League

HOW WILL MY BEQUEST OR PLANNED GIFT HELP WILDLIFE FOREVER?

Your gift of concern through your will or estate planning will enhance the financial ability of Wildlife Forever to sustain itself virtually forever.

Your gift will be a living memorial and tribute to both your generosity and concern for the future of America's fish and wildlife.

WHAT IS PLANNED GIVING?

Planned gifts are made as part of an estate plan. They are charitable donations that help people of nearly any means to reduce taxes, increase income and provide for lasting legacy. Most often, a planned gift is a bequest as part of a will but they can also take the form of a gift annuity or a trust.

The tax benefits of planned gifts can be realized by the giver today as with a charitable annuity or by the heirs with a bequest in a will.

WHO SHOULD MAKE AN ESTATE PLAN?

Anyone who wants to create financial security for their family after their passing and/or those that want to gain certain tax advantages in the here and now. Once you have provided for your family's needs, think about how your life has been enriched by your passion for the outdoors. Then, please include a gift to Wildlife Forever in your planning. Your gift will benefit fish and wildlife for generations to come, be professionally managed and may redirect tax dollars in support of Wildlife Forever.
