

LOW RISK SPECIES

By Obsidian Soul - Own work, CC0, <https://commons.wikimedia.org/w/index.php?curid=122010457>

Horned Nerite Snail

Clithon corona

TAKE ACTION

- Research your pet's size and behavior to determine the appropriate enclosure.
- Invest in a habitat that is secure and sturdy to minimize the chance of escape.

DO NOT RELEASE!

It is illegal to introduce non-native aquatic plants and animals into state waters.
